

YOUR HONEYMOON

Timeline

THE CONSULTATION

6-12 MONTHS BEFORE WEDDING

Let's have a chat and talk about your honeymoon ideas, spending range and travel style. Once you pay our consultation fee, we get started on planning your trip with our team.

PAY DEPOSIT ON TRIP

8-10 MONTHS BEFORE DEPARTURE

Once your itinerary is to your liking, lock it all in by paying a small deposit to hold all the services.

PAY AIRFARE

6-10 MONTHS BEFORE DEPARTURE

Airfare is best booked as far in advance as you can for the best prices and seats. You will have to pay in full at the time of booking so keep that in mind when budgeting.

PAY FINAL BALANCE ON TRIP

2 MONTHS BEFORE DEPARTURE

The balance of your trip is due about 60 days prior to your departure. We can work out payment plans if interested.

MEET WITH YOUR TRAVEL ADVISOR

2 WEEKS BEFORE DEPARTURE

We will review all the trip details with you and give you important printed documents. Plus, we will give you a small thank you gift as well.
